

Blessing of Students for the School Year

*I WISH YOU ALL -
parents, teachers, people who work in the
schools, students - a beautiful journey at school, a
journey that enables you to learn three languages
that a mature person should know how to ex-
press: the language of the mind, the language of
the heart, and the language of the hands.*

Blessing of Students

The Office of Youth & Young Adult Ministry encourages all parishes to take time at all Masses on September 10/11, 2016 to engage young people in the life of the parish by assuring them that the prayers of the community are with them as a new school year begins.

Just before the final blessing (similar to Mother's Day or Father's Day), ask all students --- from the very young to the more seasoned to stand as the priest or deacon blesses them with these words:

Lord God, your Spirit of wisdom fills the earth and teaches us your ways.

Look upon these students. Let them enjoy their learning and take delight in new discoveries.

Help them to persevere in their studies and give them the desire to learn all things well.

Grant that during this academic year they may devote themselves to serving others in your name.

Send your Spirit upon these students that they may follow Jesus Christ, who is the way, the truth, and the life, for ever and ever.

R. Amen.
